“Sub-Contractor” shall mean any person or business entity that is engaged to provide additional services, materials or equipment, other than those provided by the Company, necessary for the performance of the Contract.

2. APPLICATION OF TERMS

- 2.1 These Terms and Conditions shall govern the Contract between the Customer and the Company.
- 2.2 There shall be no variation to these Terms and Conditions unless expressly agreed in writing by the Company.
- 2.3 All Terms and Conditions, prices, rates and other elements of chargeable value are subject to change without notice.

3. QUOTATION

- 3.1 A written Quotation will be provided. This will be based on, but not limited to Customer supplied information of the intended scope of supply inspection requirements and specific terms stipulated in the Quotation.
- 3.2 Should the original inspection requirements or the project information supplied by the Customer change or prove to be as inaccurate as to change the basis of the original Quotation, the Company reserves the right to amend the original Quotation.
- 3.3 Provided in the Quotation are project terms stating the required state of the asset to be inspected and the requirements to be provided by the Customer on the Jobsite prior to and during the Work being carried out. Failure to uphold these requirements may result in the delay to the start of the Work and the incurrence of additional costs.
- 3.4 The amount stated in the Quotation for the Work serves only as a guide and the final invoice amount may change depending on the actual duration and content of the Work, logistics or operations being out of schedule and other cost variations incurred during the Work, including but not limited to standby charges, all due to no fault of the Company.
- 3.5 All Quotations are valid for sixty (60) days from the date of Quotation and the validity may be extended only at the Company's option.
- 3.6 Escalation: Unless clearly stated in the contract or offer, the agreed rates are fixed and firm for the duration of the contract, i.e. until the final invoice for the goods sold has been presented to the Customer. For contracts of long duration (exceeding 12 months), rates may be escalated according to a formula to be agreed upon separately. As a minimum this will be the Retail Price Index (RPI), as published for the 12 month average at the under month of consideration, plus two per cent (2%).
- 3.7 The copyright of offers shall remain vested in Innospection. Information taken from offers may only be copied following Company written consent.
- 3.8 Innospection reserves the right to consider a Contract as not having been concluded, as long as the Company commercial division has not confirmed the Order in writing.

4. PURCHASE ORDER

- 4.1 Prior to the mobilisation of personnel and equipment, an official and valid instruction with reference to the Company Quotation must be received.
- 4.2 The Purchase Order shall constitute a Contract between the Customer and Company to carry out the Work subject to these Terms and Conditions, and the Customer shall expressly give notice of acceptance of these Terms and Conditions by signing the Order Acknowledgement.

5. PRICES

- 5.1 All prices are in the currency stated in the Quotations, and failing such statement, it shall be considered to be in Great Britain Pounds (£).
- 5.2 In the event of lack of clarity or discrepancy within the price schedule, the decision on applicable currency is at the sole discretion of the Company.
- 5.3 All prices, rates and other elements of chargeable value are quoted exclusive of custom fees, import duties, and any taxes of whatever kind, including but not limited to withholding taxes, sales and excise duties, and the Customer shall be responsible for the payment thereof.

- 5.4 Standby Charges shall apply to Personnel and/or Equipment hire per calendar day applicable when:
- Personnel and/or Equipment are held available for operational use at the Jobsite.
 - Personnel and/or Equipment are retained mobilised but delayed due to the transportation and logistic issues or changes by the Customer
 - Equipment is in repair due to damages sustained while the Equipment is in the possession and control of the Customer.
 - Equipment is retained by the Customer after the completion of the Work and not returned to the Company's base immediately; with the agreement of the Company.

5.5 Transit Charges shall apply to Personnel and/or Equipment in transit from Company to Jobsite and return and are based on per calendar day.

6. **PAYMENT**

6.1 The terms of payment shall be as stated on the Company's Quotation. Standard payment term is thirty (30) days from the date of Invoice.

6.2 The Company reserves the option to seek Staged Payments (Payment Milestones) as stated in the Company's Quotation. Innospection's Standard Payment Milestones are:-

- Preparation and Mobilisation
- Inspection Programme and Equipment rental, Monthly Billing
- Final Invoice: Reporting

6.3 All payments, unless otherwise specified in the invoice, shall be made in the currency of the Quotation without any deductions or setoff. If no currency is specified, it shall be considered to be in Great Britain Pounds (£).

6.4 All custom fees, import duties, taxes of whatever kind (including but not limited to withholding taxes, sales and excise) and such like costs, not specifically included in the Quotation or in the invoice shall be paid by the Customer.

6.5 For payments not received more than 30 days after the date shown on the invoice, a written notice of default will be sent to Client.

6.6 In the event of delayed payment a surcharge will apply in the form of interest due to untimely performance obligations. This shall be charged at a rate of Bank of England base rate that applies during the period in which the debt falls due plus eight (8) percent.

6.7 The Customer agrees to pay all of the Company's costs including legal fees and court costs incurred in the collection of the due amounts from the Customer.

6.8 Payments shall be made without any deduction or set off.

6.9 The Company is entitled to demand the Customer to provide sufficient security for the contractual payment obligations, such as for instance, a bank guarantee.

7. **Variation**

7.1 Additional or less work shall be understood to mean changes in the scope and/or the nature of what has been agreed between Innospection and the Client before and/or during the performance of the contract, such changes having either or not been laid down in writing.

7.2 If circumstances occur that constitute a threat to people's health or safety and these circumstances were not notified to Innospection on conclusion of the contract, Innospection has the right to charge the extra costs related to this to the Client or to suspend all work, until the circumstances that constitute a threat to people's health and/or safety have been remedied by the Client.

7.3 If Innospection becomes aware of changes or proposed changes which will require additional work, Innospection will give the Customer early warning that the changes may affect a contract key date, cost or price.

7.4 All additional or less work, or any other changes need to be notified to Innospection on time and in writing. The Customer shall pay all charges following such contract amendments.

7.5 Innospection shall charge all additional work separately.

8. CANCELLATION

- 8.1 Innospection reserves the right to make a charge for short-notice cancellation of orders.
- 8.2 For sale of products, short notice is defined within the proposal to supply. For mobilisation, short notice is defined as within two (2) working days of agreed mobilisation date.
- 8.3 The Customer shall notify the Company in writing on the cancellation of Contract.
- 8.4 In the event of cancellation, the following charges will apply:
- For notification received by the Company fourteen (14) days or less prior to the mobilisation of Company Personnel and Equipment, the Company will invoice the Customer for all incurred costs that are a direct result of the termination, calculated at Cost plus 15%.
 - For notification received by the Company after the mobilisation of Company Personnel and Equipment, the Company will invoice the Customer for all charges as stated in the Company's quotation, relating to preparation, mobilisation, travel, hire and Stand-by.

9. WORK DELAY

- 9.1 For any delay to the start of the Contract and the performance of the Work, due to no fault of the Company, the Customer will be invoiced the Standby Rates for Company Personnel and Equipment in accordance to the Quotation.

10. REPORTS DRAWINGS, CALCULATIONS, DESCRIPTIONS

- 10.1 The Company will issue an Interim Report at the Jobsite after the performance of the Work and prior to demobilisation. Unless otherwise agreed and stated, the Final Report will be compiled and issued to the Customer from the Company's base.
- 10.2 The Company's standard inspection reports will present the inspection results in accordance with the agreed and stated Customer's inspection criteria. No recommendation will be made and the Company accepts no liability for the suitability of service of the inspected assets belonging to the Customer or for any subsequent remedial actions to be performed by the Customer.
- 10.3 Drawings, calculations, descriptions, models, weights, sizes, capacities, prices, efficiencies and all other information in the brochures, circular letters, catalogues, prospectuses, advertisements, price lists and pictures are solely for information purposes. This information only binds Innospection in so far it is explicitly specified in the contract.
- 10.4 The drawings and technical descriptions made available to the Client before and after conclusion of the Contract remain as Innospection's property. The Client is not allowed to use, copy or multiply this information, nor pass it on to or inform third parties without Innospection's written consent, unless this is necessary for the performance of the order for which it was provided.
- 10.5 The know-how that was developed in the course of the performance of the contract, as well as the right in respect of a patent, will be Innospection's exclusive property, unless otherwise agreed in writing.
- 10.6 Reports, drawings and such that are the result of the services, belong to or are the property of the Client, subject to Innospection's copyright.
- 10.7 Reports issued to the Client by Innospection may only be published by the Client wholly and verbatim and must specify the name Innospection Ltd. Publishing is only allowed following Innospection's written consent.
- 10.8 The use of Innospection's reports, drawings and such by the Client for claims, for instituting legal proceedings together with the name of Innospection in whatever sense, is only allowed following Innospection's written consent. This permission will not be refused on unreasonable grounds.
- 10.9 The parties shall not divulge any information they are privy to and use it only for the reasons it was provided, unless this is common knowledge or was lawfully obtained other than via the other party.

11. RESPONSIBILITY FOR EQUIPMENT

Where Equipment in the possession and control of the Customer:-

- 11.1 The Customer accepts and assumes all risk of accidental loss, destruction or damage to the Equipment from the time it is delivered to the Customer or appointed representative, including transit to the Jobsite, during the performance of the Work at the Jobsite and until the Equipment is returned to the Company's base.
- 11.2 Where equipment is not returned or is damaged beyond economic repair, the Customer shall pay for replacement on a "New for Old" basis..
- 11.3 For the Equipment that is damaged while in the possession and control of the Customer, but not beyond repair, the Company will repair the Equipment and all incurred repair charges will be invoiced to the Customer at cost plus 15% plus the Equipment downtime in accordance to the Standby Charges.
- 11.4 No charges of any kind incurred by the Customer in attempting to repair the damaged Equipment will be allowed as a deduction from other charges to the Customer related to the performance of the Contract.

12. FORCE MAJEURE

- 12.1 The company shall not be liable for any special, direct and/or Consequential Damages for a failure to perform its obligation under the Contract where such failure or non-compliance is caused by an event of Force Majeure or any other occurrence beyond the reasonable control of the Company.
- 12.2 In the event that the Company is affected by Force Majeure or any such other occurrence, the time for performance of its obligations shall be automatically extended by the time equal to the duration of the Force Majeure or such other occurrence.

13. INSURANCE

- 13.1 The Customer and the Company agree that each Party shall maintain suitable insurance to a level sufficient to meet their liabilities under any transactions contemplated by the Contract.

14. WARRANTY

- 14.1 With due regard for the following, Innospection guarantees that it complies with the highest standards of workmanship, that the services are suitable for the purpose and use they are intended for, and comply with the requirements and specifications of the order.
- 14.2 Under this warranty Innospection will redo inspection at no cost for the Client. However, the warranty does not cover shipment, freight, travel and accommodation expenses, taxes or other charges, if applicable in conjunction with the repeat work. Nor does it cover any costs for making access to the location of the equipment, recovery of the equipment, dismantling, re-installation or re-commissioning after inspection.
- 14.3 Accordingly, services are provided on the understanding that Innospection guarantees only the soundness of the work. Innospection shall correct inspection defects caused by processing errors up to a maximum amount of the contract value of that service. However, for orders that exceed an amount of £10,000, a maximum of £10,000 applies.
- 14.4 The warranty provisions also apply to pilot installations, prototypes, studies and research, on the understanding that Innospection only has an obligation to perform to the best of its ability.
- 14.5 If Innospection performs services under the supervision of the Client or by seconding personnel to the Client, Innospection only guarantees that the personnel will have the required expertise.

15. LIABILITY

- 15.1 Following acceptance, Innospection is no longer liable for shortcomings other than respecting its guarantee obligations specified in clause 14.
- 15.2 Without prejudice to the provisions specified in these conditions with regard to Innospection's liability, Innospection does not accept any liability for loss due to business interruption and/or other forms of indirect or consequential damage and damage vis-à-vis third parties, unless Innospection and/or Innospection employees act intentionally or are guilty of gross negligence.
- 15.3 Innospection does not accept any liability for errors or defects whatsoever if Innospection did not receive any consideration for its services or products.

15.4 Any demand that contractual obligations be met by Innospection shall be null and void if the Client has not fulfilled all its obligations vis-à-vis Innospection.

15.5 In case of seconding personnel, the personnel provided by Innospection will work under the direction and supervision of the Client. Therefore, Innospection is not responsible for damage or loss to any property or injury including disability or death of personnel of the Client, during the performance of the services or the seconding of personnel unless Innospection's personnel commit a wilful act or an act of gross negligence.

16. INDEMNITY

16.1 The Customer shall save, defend, indemnify, and hold harmless the Company (and any other person, real or corporate, for which the Company may be responsible in law) from and against all claims, losses, damages costs (including legal costs), expenses and liabilities in respect of:

- a) loss of or damage to equipment or property of the Customer arising from or relating to the performance of the Contract by the Company located at any place where the Work is being performed;
- b) personal injury including death or disease to any person employed by the Customer arising from or relating to the performance of the Contract by the Company; and
- c) loss of or damage to equipment or property of the Customer arising from or relating to the performance of the Contract by the Company's sub-contractor(s) located at any place where the Work is being performed;
- d) personal injury including death or disease to any person employed by the Customer arising from or relating to the performance of the Contract by the Company's Sub-Contractor(s).

17. CONSEQUENTIAL LOSSES AND LIQUIDATED DAMAGES

17.1 The Company shall not be responsible for, nor shall it bear any liability under the Contract for incidental, indirect or Consequential Damages of any kind, arising from, relating to or in connection with the performance or non-performance of the Contract.

17.2 In case of a delay in the agreed delivery period that can be attributed to Innospection and the Customer suffering demonstrable damage as a result of this, Innospection shall owe liquidated damages of 0.5% of the price agreed for the work for every full week of delay up to a maximum of 5%. Payment of liquidated damages is the sole remedy of the Client.

17.3 The Company shall accept no other penalties relating to performance.

18. TERMINATION

18.1 In case of the improper or not timely fulfilment of his obligations by the Client or in case of force majeure, (impending) bankruptcy, suspension of payment, the closing down or winding up of the Client's company, Innospection is entitled, without judicial intervention, to dissolve the contract wholly or partly, without Innospection being liable to pay any damages or forced to provide guarantees. This provision is without prejudice to Innospection's other rights.

19. ENTICEMENT OF STAFF

19.1 During the performance of the Contract and for a period of 12 months after the Contract has ended, the Client will not offer employment or create or accept any other form of business association with the personnel of Innospection.

20. DISPUTE RESOLUTION

20.1 Any dispute, controversy or claim arising out of or in connection with the Contract, or the breach or validity thereof, which is not settled amicably by the Customer and the Company within thirty (30) days of first arising will generally be settled by arbitration under the Arbitration Act 1996 (England & Wales) through a suitably qualified and appointed Sole Arbitrator forming an arbitral tribunal of one (1).

20.2 The Arbitrator shall be mutually appointed by the Parties or by the President of the Chartered Institute of Arbitrators, London at the request of a Party if the Parties fail to agree a mutually appointed Arbitrator within seven (7) days of commencement of dispute resolution by arbitration.

20.3 The costs of the arbitration proceedings (including legal fees and costs) shall be borne in a manner determined by the arbitrator. Nothing in these Terms and Conditions shall inhibit either Party from taking action in a court in any relevant jurisdiction.

21. GOVERNING LAWS

21.1 Unless otherwise previously agreed and stated in writing, the Contract will be governed by and construed, interpreted and enforced in accordance with the non-exclusive jurisdiction of the Laws of England.

1. DEFINITIONS / INTERPRETATIONS

1.1 In these Terms and Conditions, the following words shall have the following meanings:

"Company" shall mean Innospection Limited and the relevant affiliated companies of Innospection Limited.

"Conditions" shall mean the standard terms and conditions of sale set out in this document which (unless the context otherwise requires) includes any special terms and conditions agreed in writing between Seller and Buyer including, for the avoidance of doubt and without prejudice to the generality of the foregoing, any order acknowledgement issued by Seller.

"Contract" or **"Order"** shall mean any contract between the Company and the Customer consisting of the purchase order, these General Terms and Conditions of Sale and any other documents (or parts thereof) specified in the Contract including any amendment or supplement thereto.

"Customer" or **"Buyer"** shall mean the person, firm, company or other entity placing an order with the Company or accepting the Quotation.

2. APPLICATION OF TERMS

2.1 These Terms and Conditions shall govern the Contract between the Customer and the Company.

2.2 There shall be no variation to these Terms and Conditions unless expressly agreed in writing by the Company.

2.3 All Terms and Conditions, prices, rates and other elements of chargeable value are subject to change without notice.

2.4 Documents designated by Company including Quotation Terms & Conditions, if any, are incorporated by reference the same as if set out in full herein. Should any ambiguity or inconsistency exist in any portion of the Order, including any Quotation Terms and Conditions, Order or other documents attached hereto, the following precedence of documents shall apply to eliminate any such ambiguity or inconsistency:

- a) Documents containing Quotation Terms and Conditions;
- b) These General Terms and Conditions of Sale

3. THE CONTRACT

3.1 The placing of any order by the Customer orally or in writing and whether or not a Quotation has been submitted shall constitute an offer by the Customer and the Company shall accept such offer only on the terms and conditions herein contained.

3.2 The Contract shall be effected as and when the Customer's order is accepted by the Company whether orally or in writing by the issue by the Company of its Delivery Note, Invoice or some other form of acceptance in writing and upon such acceptance as aforesaid, these terms and conditions shall apply to the Contract as and with effect from the date of the Delivery Note, Invoice or other written acceptance (whichever is earlier) and shall be deemed to have been accepted by the Customer unless the Company is notified in writing to the contrary within seven days of Delivery Note, Invoice or other written acceptance (whichever is earlier) and shall have expressly agreed in writing to any variations or amendment thereof.

4. TECHNICAL CONTENT, SPECIFICATIONS AND INTELLECTUAL PROPERTY

- 4.1 The Company reserves the right to change the production specifications without prior notice.
- 4.2 Technical specifications and product designs valid for each offer are those presented in the offer with attachment(s) if applicable.
- 4.3 Software: Innospection owns the copyright to all the software offered and sold by the Company. Software is supplied on a single licence basis.
- 4.4 Computers: The offer to supply equipment does not include either personal computers or printers, unless specified in the offer.
- 4.5 Documentation: Operation manuals and data sheets for Innospection products are supplied as standard with the equipment.
- 4.6 All intellectual property, including but not limited to all patents, inventions, trademarks, service marks, logos, domain names, know-how, copyrights, design rights and database rights, models, formulae, software, source codes, designs, trade secrets and other confidential information and trade names (whether registered or unregistered) furnished, conceived, reduced to practice, fixed in a tangible medium of expression, or otherwise and all applications and registrations for and extensions and renewal of such rights or any of them, anywhere in the world, in the Equipment or any other items supplied by the Company under this Contract (collectively, "Intellectual Property") shall be and remain the exclusive property of Innospection.
- 4.7 Innospection grants the Buyer the right to use the Intellectual Property solely for and to the extent necessary for the inspection of assets with the Equipment, but not for the manufacture of any Equipment and not for the making of any derivative work as defined under copyright law.

5. TRAINING, COMMISSIONING AND AFTER-SALES SERVICE

- 5.1 Training: The Company shall provide the Customer with a qualified Trainer to provide training on the application of technology and the use of Equipment. This can be delivered at Innospection or Customer site(s). Not included in the price of the Equipment.
- 5.2 Commissioning at Customer Site(s): Upon request, the Company shall provide the Customer with a qualified Engineer to provide installation/commissioning for the supplied Equipment. This will be performed at the Customer's site(s). Not included in the price of the equipment.
- 5.3 After-sales service and support: Upon request, the Company shall provide the Customer with a maintenance and technical support service including software updates. Not included in the price of the equipment.
- 5.4 For 5.1 – 5.3 inclusive: The cost of this service(s) is not included in the price of Equipment specified therein. The Customer shall pay the Company for such service at the applicable charge stated in the Quotation or Invoice including, if the work is not performed in the town where at that time the Company maintains qualified personnel, charges for travel time to and from the place of work plus actual living and travel expenses of personnel performing the work.
- 5.5 The Customer agrees that the inspections shall be performed only by trained and qualified Eddy Current Operators able to perform the equipment calibration and data analysis.

6. PRICE & PAYMENT SCHEDULE

- 6.1 All prices are in the currency stated in the Quotations, and failing such statement, it shall be considered to be in Euros (€).
- 6.2 All prices referred to in the Quotation and Invoice are exclusive of Value Added Tax and all relevant duties and taxes of any nature which will be charged to the Customer by the Company at the applicable rate(s), if applicable.
- 6.3 Carriage and packing charges will be invoiced by the Company to the Customer as an additional charge on all orders, if the delivery of equipment from the Company's premises to the Customer's place of business or another location specified by the Customer is arranged by the Company.

-
- 6.4 Insurance and other charges, if applicable at the date of despatch, will be invoiced by the Company to the Customer as an additional charge on all orders.
- 6.5 All charges shall be paid in full and received by the Company by the date specified in the Invoice. In the event of delayed payment, a surcharge will apply in the form of interest due to untimely performance obligations. This shall be charged at the European Central Bank base rate that applies during the period in which the debt falls due plus eight (8) percent.
- 6.6 The Customer shall not be entitled to withhold payment of any amount payable under the contract to the Company because of any disputed claim of Customer in respect of defective Equipment or any other alleged breach of Contract, nor shall the Customer be entitled to set off against any amount payable under the Contract to the Company any monies which are not then presently payable by Customer or for which Customer disputes liability.
- 6.7 The Company is entitled to demand the Customer to provide sufficient security for the contractual payment obligations, such as for instance, a bank guarantee.
- 6.8 The Customer agrees to pay all of the Company's costs including legal fees and court costs incurred in the collection of the due amounts from the Customer.
- 6.9 Ownership of supplied goods will remain the property of the Company until the payment has been received in full.

7. INCOTERMS

- 7.1 Except as varied by these Conditions or otherwise agreed in writing, the commercial terms in the Contract such as EX-WORKS and CFR shall have the meanings assigned to them by Incoterms, 2010 edition, published by International Chambers of Commerce, including any additions or amendments thereto, or such later edition applicable at the date of order acknowledgement.

8. DELIVERY & RISK

- 8.1 Any date or time named by the Company for delivery is given and intended as an estimate only and the Company shall not be liable to make good any damage or loss whether arising directly or indirectly out of delay in delivery.
- 8.2 Delivery shall be deemed to take place when the Equipment is despatched from the Company's premises, whether collected by the Customer directly or delivered to the Customer at the Customer's place of business or another to another location specified by the Customer. Responsibility for and risk in the Equipment shall pass to the Customer on delivery.
- 8.3 Delivery shall be taken by the Customer within the period (if any) stated in the Quotation, Delivery Note or Invoice. If for any reason the Customer is unable to accept delivery of the Equipment at the time when it is due and ready for delivery, the Company shall, if its storage facility permit, but at the risk of the Customer, store the Equipment and take all reasonable steps to prevent its deterioration until its actual delivery to the Customer. The Customer shall be liable to the Company for all reasonable costs and expenses of it doing so, including but not limited to the cost of packing and storage, insurance, demurrage, additional carriage and any re-testing and necessary refurbishing.
- 8.4 Provided nevertheless that after a reasonable time, the Company shall be entitled to terminate the Contract, wholly or in part. This provision shall be in addition to, not in substitution of, any other payment or damages for which the Customer may be liable in respect of his failure to take the delivery at the appropriate date.

9. DAMAGE OR LOSS OF GOODS IN TRANSIT

- 9.1 Both the Company and the Carrier must be advised in writing within five days of the Invoice date if the goods have not been delivered. Any damage or storage must be advised to the Company and the Carrier within three days of receipt or if conveyed by goods train, within seven days.

10. WARRANTY

- 10.1 With due regard for the following, Innospection guarantees that it complies with the highest standards of workmanship, that the supplied products are suitable for the purpose and use they are intended for, and comply with the requirements and specifications of the order.
- 10.2 The Buyer will report non-conformance of the Equipment to its specifications to the Company within ten (10) days of discovery thereof. The Buyer shall additionally provide with such equipment supporting information with respect to such non-conformance to enable the Company to verify, diagnose and correct the non-conformance.
- 10.3 The Company warrants the Equipment sold pursuant to this Contract at the time of delivery to be free from defective materials and workmanship under normal use and service in accordance to the technical manual for the periods stated below:
- a) Hardware Components (excluding Sensors) – Twenty-four (24) months following the date of delivery;
 - b) Sensors – These are consumable items and a function warranty period of twenty-four (24) months following the date of delivery. Warranty applies on failure upon first time use.
 - c) Operating Software – Function warranty period of twenty-four (24) months following the date of delivery. Maintenance and service fees for the software during the warranty period are included in the purchase cost.
- 10.4 The place for settling all warranty claims is the Company's premises in Stutensee, Germany. All transportation and packing costs related to the settlement of the warranty claims shall be borne by the Customer. In the case where the Company have to settle the warranty claims at the Customer's site, all related personnel mobilisation charges, travel costs, accommodation and subsistence expenses of the Company's personnel shall be borne by the Customer.
- 10.5 Such warranty is limited to the repair or replacement of the defective Equipment.
- 10.6 LIMITATION. The remedy set forth in this Section 10 is available only if:
- a) The Buyer shall within the Warranty Period notify the Company of the non-conforming Equipment;
 - b) The Equipment has been operated and maintained only by qualified personnel with an appropriate level of training for the Equipment, and
 - c) The Company determines in its sole discretion that the reported non-conformity is valid and was not caused by misuse, neglect, improper installation, testing or handling, or any other cause beyond the scope of normal usage, or by accident or intentional damage or operation, or use of the Equipment outside its specified operating ranges.
- 10.7 No warranty shall be effective as to any items of the Equipment to which is attached any apparatus or software other than the apparatus supplied by Seller for attachment or specifically approved for attachment by the Customer in writing.
- 10.8 No warranty shall be effective if tamperproof seals are broken if equipment is entered in to, tampered with, modified, incorrectly connected, out of specification signals to and from, incorrect supply connected, dropped, liquid ingress, exposed to adverse weather conditions, incorrect storage or incorrect transport.
- 10.9 The Equipment is not sold subject to any other warranty, condition or representation, nor is any warranty, condition, description or representation to be taken to have been given or implied from anything said or written in the negotiations between the parties or their representatives prior to the Contract.
- 10.10 Any statutory or other warranty, condition or description expressed or implied as to the state, quality of fitness of the Equipment, subject to this Contract is, to the extent permitted by law, hereby expressly excluded.

11. HIRED GOODS

- 11.1 Minimum hire period is one (1) week (7 days).
- 11.2 Goods will remain On Hire until the day of receipt of goods at the Company base.
- 11.3 No equipment hired may be transferred to a third-party without prior written consent by the Company.

-
- 11.4 As of time and date of hire, all goods become the responsibility of the Customer with regard to insurance, loss, theft, damage, breakdown (all risks).
 - 11.5 All equipment prior to leaving Company base is thoroughly checked to ensure the capability of performing to Company specifications. Any fault not reported by the Customer within twenty-four (24) hours of receipt will be deemed the responsibility of the Customer.
 - 11.6 The Customer will be liable for the repair or refurbishing of the Equipment hired, where in the judgement of the Company, the Equipment has suffered from damage, excessive wear or misuse.
 - 11.7 Any equipment returned in a damaged condition will remain on hire for a further period of fourteen (14) days after return to enable the repairs to be effected.
 - 11.8 Any equipment deemed damaged beyond repair, lost, stolen or otherwise totally written-off will remain on hire until a mutually agreed replacement fee is paid by the Customer.

12. OWNERSHIP OF PRODUCTS

- 12.1 Products supplied by Innospection shall remain the property of the Company until payment has been received in full.
- 12.2 If:
 - a) the Customer defaults in payment of any sum owing to the Company hereunder, or;
 - b) before ownership and title to the Equipment shall have passed to the Customer, the Customer shall be unable to pay his or its debts as they fall due or shall compound with his or its creditors generally, or being a Company, shall have a Receiver appointed for the purpose of winding up or should the Customer enter into liquidation, whether compulsory or voluntary;

Then in any such case, the Company shall be entitled to the immediate return of all Equipment sold by the Company to the Customer in which ownership and title has not passed to the Customer.

The Customer hereby authorises the Company to recover the Equipment and for that purpose to enter any premises of the Customer. The demand for or recovery of the Equipment by the Company shall not itself discharge either the Customer's liability to pay the whole of the price and take delivery of the Equipment or the Company's right to recover the whole of the price.

- 12.3 Where payment is made by means of a Bill of Exchange, cheque or other negotiable instrument, the Company shall be deemed not to have received payment until the Bill of Exchange, cheque or instrument has been honoured on presentation for payment notwithstanding that the Company may have negotiated it and received value thereof.

13. CANCELLATION

- 13.1 No order may be cancelled without the prior written consent of the Company which will only be given on the terms that the Company is to be compensated against all costs incurred up to the date of such cancellation.
- 13.2 Authorised return of the saleable Equipment, other than Equipment supplied in error, will be subject to a restocking fee of twenty-five percent (25%) of the selling price plus return freight costs.

14. TERMINATION & SUSPENSION

- 14.1 The Company shall be entitled without prejudice to its other rights and remedies either to terminate wholly or in part any or every Contract between the Company and the Customer or to suspend any further deliveries under any or every such Contract in any of the following events:
 - a) If any sum owing from the Customer to the Company for any reason whatsoever is unpaid after the due date for payment;
 - b) If the Customer refuses to take delivery of any of the goods;
 - c) If the Company has any reason to doubt the credit-worthiness of the Customer;
 - d) If the Customer commits any act of insolvency;

- e) If the Customer commits any breach of any Contract between the Customer and the Company

The Company shall be entitled to exercise its rights of termination or suspension at any time during which the event or default giving rise thereto has not ceased or been remedied in full and in the event of any such security as it may require for the payment of the price for any further delivery.

15. INDEMNITY

- 15.1 The Customer shall indemnify and hold harmless the Company, its officers, employees or agents from all claims, losses, damages, costs (including legal costs), expenses, penalties and liabilities of every kind and nature resulting from

- a) personal injury including fatal injury;
- b) loss or damage to property of the Customer and/or third parties;

which arise out of or in connection with or in consequence of any use of or alteration to the Equipment by the Customer or any third party, whether or not the negligence or breach of duty of the Company, its officers or agents caused or contributed to such personal injury, loss or damage.

16. CONSEQUENTIAL LOSSES AND LIQUIDATED DAMAGES

- 16.1 The Company shall not be responsible for, nor shall it bear any liability under the Contract for incidental, indirect or Consequential Damages of any kind, arising from, relating to or in connection with the performance or non-performance of the Contract.

- 16.2 In case of a delay in the agreed delivery period that can be attributed to the Company and the Customer suffering demonstrable damage as a result of this, the Company shall owe liquidated damages of 0.5% of the price agreed for the work for every full week of delay, commencing thirty (30) days after the relevant due date for delivery, up to a maximum of 5% or €10,000 (Euro Ten Thousand), whichever is lower. Payment of liquidated damages is the sole remedy of the Customer.

- 16.3 The Company shall accept no other penalties relating to performance.

17. FORCE MAJEURE

- 17.1 The company shall not be liable for any special, direct and/or Consequential Damages for a failure to perform its obligation under the Contract where such failure or non-compliance is caused by an event of Force Majeure or any other occurrence beyond the reasonable control of the Company.

- 17.2 In the event that the Company is affected by Force Majeure or any such other occurrence, the time for performance of its obligations shall be automatically extended by the time equal to the duration of the Force Majeure or such other occurrence.

18. TERRITORIAL RIGHTS

- 18.1 The Customer shall not offer inspection services using the purchased Equipment from the Company in the countries/territories where the Company is already offering its inspection services using the same or similar Equipment.

- 18.2 The territorial rights for the Customer shall be defined in a separate Equipment Purchase Agreement.

19. ENTIRE AGREEMENT

- 19.1 These Terms and Conditions shall constitute the entire Contract between the Company and the Customer and no undertakings, representations or warranties on the part of the Company or on the part of any person acting or purporting to act as the Company's agents, whether expressed or implied shall be deemed to affect the construction of the Contract to impose any further obligations on the Company.

20. DISPUTE RESOLUTION

- 20.1 Any dispute, controversy or claim arising out of or in connection with the Contract, or the breach or validity thereof, which is not settled amicably by the Customer and the Company within thirty (30) days of first arising will generally be settled by arbitration under the German Arbitration Law 1998.
- 20.2 The costs of the arbitration proceedings (including legal fees and costs) shall be borne in a manner determined by the arbitrator. Nothing in these Terms and Conditions shall inhibit either Party from taking action in a court in any relevant jurisdiction.

21. GOVERNING LAWS

- 21.1 Unless otherwise previously agreed and stated in writing, the Contract will be governed by and construed, interpreted and enforced in accordance with the non-exclusive jurisdiction of the Laws of Germany.
